

Did you know that up to [75% of human emotions](#) are generated by smell?

Our olfactory anatomy plays a huge role in forming and recalling a memory. Scents have the ability to transport our minds.

We commonly associate scents like cinnamon and apple with the fall, but it can be hard to find a great spring home scent. Spring fragrances should be fresh and uplifting with just a touch of sweetness. After a long, dreary winter, these cheery fragrances are sure to brighten your home.

How can you ensure that your home is creating fresh and happy memories this season?

Add some of the best spring home fragrances to your home [cleaning products](#)! Keep reading for some inspiration.

1. Lemon Basil

Is there any cleaner scent than lemon? Zesty lemon energizes a room. When combined with subtle notes of sweet basil, this scent will make you want to enjoy sipping iced tea in the open air.

Use lemon basil scents in the kitchen for an extra clean home feeling. Lemon basil is also great when placed near doorways and entrances to greet you when you come home.

2. Mandarin Blossom

Another fresh citrusy scent, mandarin orange blossom is a craveable and unique spring home fragrance. Juicy mandarin meets delicate floral scents for an uplifting and energizing effect. If you want to impress your guests, mandarin blossom is the way to go.

Mandarin blossom plays well anywhere in the home. Some of the best places to use this scent are guest rooms, [home gyms](#), and living areas.

3. Rose

Rose is the quintessential spring scent, but it can sometimes come across as stark and overwhelming. Shop for a rose fragrance that feels light, young, and slightly sweet. A rose-scented home projects happiness and confidence with a touch of sexiness.

Use rose throughout the whole house for a delicate, feminine atmosphere. Rose is also a luxurious choice for bathrooms and bedrooms.

4. Eucalyptus Mint

If you prefer fresh scents on the masculine side, try eucalyptus mint. Mint awakens and rejuvenates while eucalyptus soothes the mind. Like walking through a Zen garden, eucalyptus mint will have you taking deep breaths all day long.

Eucalyptus mint is a clean scent perfect for kitchens and bathrooms. You can also use this fragrance in rooms that need focus and stress relief, like a home office.

5. Green Tea and Aloe

Green tea and aloe are each wonderfully refreshing on their own, and even better when put together. Calming green tea meets bright juicy aloe for a home fragrance match made in heaven. Green tea and aloe bring [green cleaning](#) to a whole new level!

Because it is light and subtle, a green tea and aloe blend is a perfect fragrance for the entire home. You can also bring some spring freshness indoors by using this scent in bathrooms, closets, and laundry rooms.
