

She's gorgeous. She's famous. She's the iconic queen of country music.

Who is she? Well, she's Dolly Parton! What's one key aspect of Dolly's look?

Her hair, of course! Or rather, her wigs. That's right, Dolly has recently come forward about wearing extravagant wigs as part of her daily look.

Thought you knew everything about this country singer? In this article, we'll untangle three big facts you didn't know about Dolly Parton's real hair!

Fact: Dolly Parton's Real Hair Isn't Blonde

One of Dolly's first big hits was her song "Dumb Blonde," released in 1967. But did you know Dolly is neither dumb nor blonde?

Before she started wearing wigs, Dolly Parton stated that she used to bleach and dye her hair. You can [see here](#) in some of her older photos that her natural hair appears to be a light-to-medium brown.

Eventually, it became difficult to keep her hair healthy with all of the bleaching treatments, and some of her hair even began to break and fall out. But Dolly Parton wasn't afraid to embrace the wig life!

In her book, *Dolly Parton, Songteller: My Life in Lyrics*, the famous musician comments on her love for high heels and high hair. The wigs made life much easier, as she claimed she could never get her hair to do exactly what she wanted.

Fact: Dolly's Big Hair is Essential to Her Look

Perhaps it goes without saying, but Dolly loves her big hair. Even in older photos, she always wears it as teased and tall as possible.

In interviews, Dolly has explained her style inspiration. [As a child](#), she always admired the lady known as the "town tramp," and wanted to wear the same bold, fun styles that she did.

Part of this iconic stand-out look is Dolly's poofy blonde hair. When Dolly recently released old photos with her natural hair, many fans claimed that she looked totally different.

Even with all the sequins and fringe in the world, Dolly just wouldn't be the same without her iconic towering locks.

Unlike some famous musicians and movie stars, Dolly Parton doesn't gatekeep her fashion sense. In a recent interview, Dolly even expressed her admiration and love for members of the LGBTQ community and drag queens. When fans want to dress like her, she feels flattered and inspired.

Fact: Nobody Knows How Many Wigs Dolly Owns

Not even Dolly herself is sure how many big, blonde wigs she boasts in her collection. She has often joked with interviewers that she must have at least 365 because she wears one every day!

Although many people would disagree, Dolly Parton has often said that she does not feel she is a "natural beauty". She enjoys having a broad selection of wigs to choose from every day, from teased and feathered hair to classic bouffants and loosely curled manes.

Part of Dolly's old wig collection is on display alongside her music and costumes at the Chasing Rainbows Museum. The Chasing Rainbows Museum is a museum located in Dollywood, Tennessee, exclusively dedicated to memorializing Dolly's life and times.

Tying It All Up

Dolly Parton is undeniably one of the nation's most adored country singers. Dolly Parton's real hair is very different from her iconic larger-than-life blonde wigs. Just as Dolly supports all women looking their best, her fans will love and support any look Dolly chooses!
